

Be the Hero of Your Next Turnaround: Manage Costs Proactively

With your facility down, the last thing you need to worry about is inheriting more costs. Renew is your trusted partner, here to help you navigate the financial complexities of turnarounds and ensure real-time cost savings.

Stop Overpaying, Start Overachieving

- **Reduce project delays.** With the turnaround underway, ensure your suppliers remain safely on task while auditing their costs in real time. No stoppages in contractor work due to uncontrolled cost escalations.
- **Recover hidden fees.** We meticulously review invoices, ensuring you only pay what's contractually obligated. Keep more money in your pocket.
- **Avoid legal battles.** Proactive reviews minimize disputes and delays. Stay focused on the turnaround without worrying about potential future litigation issues.
- **Triple your ROI.** Real-time savings during your current project, recover past overcharges, and prevent future ones. Be a financial hero.

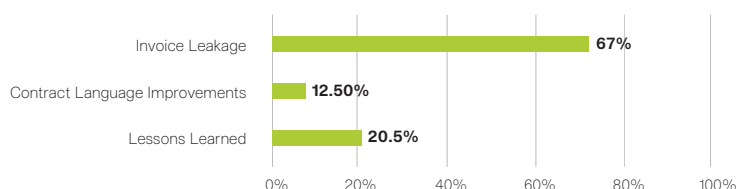

COST BENEFIT BREAKDOWN
